## Evidencia 2

## Evidencia 3

A screenshot of the same web application displayed within a browser's developer tools. The top part shows the browser's developer tools interface with various settings like "Dimensions: Responsive", "400 x 642", "100%", "No throttling", and "'Save-Data': default". The main content area is identical to the first screenshot, showing the "Mi sitio web" header, navigation bar, "Bienvenido" and "Información secundaria" sections, and the footer. To the right of the browser window, the browser's DOM tree is visible, showing the HTML structure of the page.
